Video Services

VIDEO SERVICES

We are proud to offer high definition video recording with multiple camera angles. The Lavender and Lilac Salons feature three discreet, remotely operated cameras, while ceremonies in the Primrose Courtyard are captured by a two-person video team. Your video is recorded as an HD video file for downloading and sharing.

TRADITIONAL WEDDING VIDEO

Our wedding video specialists can capture your day from the beginning of your ceremony until the end of the last dance. Your video will be edited in a documentary style, featuring the real scenes and sounds of the event.

Also included is a 2 to 5 minute recap, set to music.

Your HD Digital file comes with a customized menu, first-play teaser, and chapter menu.

\$325 for the first hour of traditional video coverage.

\$225 for additional hours of traditional video coverage.

WYNN CINEMATIC WEDDING VIDEO

Using the latest video technology, our cinematographers will capture the highlights of your day in a feature film-like style. Filming will start a few hours before your ceremony to capture the day's preparation. The highlights of your ceremony, portrait session and reception are carefully lit and set to the songs of your choice. The final presentation is a 6 to 10 minute short film expressing the excitement and emotion of your wedding day. Your video is delivered as a standard DVD, HD Blu-Ray disc, and a digital file for your computer or digital media player.

\$2,650 for the first six hours (minimum) of cinema video coverage.*

\$275 for additional hours of cinema video coverage.

Video Services

WYNN CINEMATIC ENGAGEMENT VIDEO

Spend some time with our Cinematographers at the many picture-perfect locations at Wynn and Encore, on Las Vegas Boulevard, or around Las Vegas to create a feature film-like love story – perfect for announcing your engagement. Your video is delivered as a HD digital file for downloading and sharing (available Monday–Thursday only).

\$1,250 for the first three hours (minimum) of cinema video coverage.*

\$275 for additional hours of cinema video coverage.

*Pricing by the hour is based on the amount of time your Videographer or Cinematographer is present at your event and does not equate to the amount of footage captured in that time. Generally, we capture 20 to 45 minutes for each hour at your event.

Add one additional camera operator to any of the above upgrades to extend the area of coverage and increase the images captured.

\$225 per hour for additional camera operators.

\$325 per hour for additional camera operators for off-site videography.

LIVE STREAM

Broadcast your ceremony online with one of our streaming options. Video can be viewed live, or replayed on most computers or mobile devices. Streams can be password protected so you can be sure only invited viewers are watching.

\$119.95 for the live broadcast with 30 days of replay.

\$129.95 for the live broadcast with 60 days of replay.
